

## DJ & KJ Martin Dsouza

Martin Dsouza quit a “regular” job to pursue what he loves the most – Music. He’s been a DJ and been hosting Karaoke over the last few years. As an artist he strives to deliver the best and keep the audience entertained with quality music. When he is DJ’ing he interweaves hip hop, house and trap along with other genres of music to keep the dance floor vibrant.

With a vast collection of dance music and karaoke tracks across various genres, he also covers Bollywood and other Indian regional languages.
